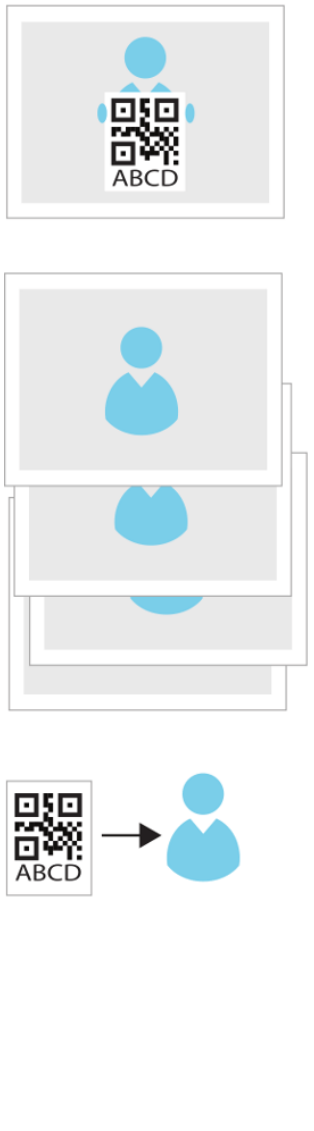
How it works on location



ABCD
1
Photo of password card
Take a photo of one QR password card (with or without the person that is next in line)
2
Photo Shoot
Do the photoshoot with the person (without the password card)
ABCD
3
Hand out password card
Hand out the password card to the person just photographed – this will give them access to their photos later

Repeat steps 1-3 with every person using a new QR password card every time.
